Syracuse, Oct. 26, 1858.

Dear Johnson:

202

Please to see that William Robinson of Pulaski township, Lawrence Co., Pa., is duly credited for the enclosed seven (\$7.00) dollars, as payment on his subscription to the Standard. Let a receipt be sent to him in his paper.

I have had a most delightful time since I left home. Everywhere I have been greeted with great kindness, and in all meetings I have attended, there has been the utmost cordiality evinced.

Faint, illegible handwriting, possibly bleed-through from the reverse side of the page.

What a marvellous change
since the early mobocratic
days of the anti-slavery
cause!

I lectured here to a
good house last evening,
and am to lecture tonight
in Albany. You will
probably see Mr. May in
New York on Friday.

Ever truly yours,

Wm. Lloyd Garrison.
